PROFESSIONAL SUMMARY

Information Technology Undergraduate (HNDIT) with hands-on, full-stack experience across web and mobile development. Skilled in building web applications with PHP, Laravel and Java (JSP/Servlets), and cross-platform mobile apps with Flutter and Firebase. Comfortable designing MySQL database schemas, integrating REST APIs, and implementing secure, role-based authentication end to end. AWS Certified in Amazon Q Developer Fundamentals. Seeking a Software Engineering Internship where I can contribute across the stack and keep growing as a developer.

TECHNICAL SKILLS

Web & Backend: PHP, Laravel, Eloquent ORM, Blade, Java, JSP, Servlets, REST APIs, JavaScript, HTML5, CSS3

Mobile: Flutter, Dart, Firebase Authentication, Cloud Firestore, Firebase Storage

Databases: MySQL, SQL Schema Design, Database Migrations, Relational Queries

Tools: Git, GitHub, Composer, npm, VS Code, Android Studio, Postman

Concepts: OOP, MVC Architecture, Role-Based Access Control (RBAC), Authentication & Session Management, SDLC

PROJECTS

Smart Campus – Multi-Role Campus Management App

Tech Stack: Flutter, Dart, Firebase, Cloud Firestore

- Architected a cross-platform mobile app supporting 3 roles (Admin, Faculty, Student), with Cloud Firestore for real-time announcements, attendance and timetable sync.
- Implemented secure Firebase authentication with role-based navigation guards.

Lumea Cosmetics – E-Commerce Web Application

Tech Stack: PHP, Laravel, MySQL, Blade, JavaScript, Vite, Composer

- Developed a full-stack cosmetics web application using Laravel, following MVC architecture with migrations, Eloquent ORM and Blade views.

EduSmartPro – Education Management System

Tech Stack: Java Servlets, JSP, MySQL, JavaScript

- Automated student enrollment, course allocation and result tracking with a relational MySQL design and secure, session-based multi-tier logins.

Smart Stock Inventory – Inventory Management System

Tech Stack: Java, JSP, MySQL, HTML, CSS

- Built a full-stack inventory system with automated stock tracking, real-time alerts and MySQL-backed sales reporting.

EDUCATION

Higher National Diploma in Information Technology (HNDIT), NVQ Level 6

Sri Lanka Institute of Advanced Technological Education (SLIATE), Badulla

G.C.E. Advanced Level- Bio System Technology (ICT)

CERTIFICATIONS

- AWS Knowledge: Amazon Q Developer Fundamentals Training Badge, Amazon Web Services (AWS), issued Jul 2026
- Certificate of Flutter Course, DP Education IT Campus
